ASEICA is glad to invite you to participate in the Scientific Abstracts session of our 3rd ASEICA EDUCATIONAL SYMPOSIUM, that will take place in November 23-25, 2021.

- The deadline for the Abstract submission is **October 25th, 2021**.

Abstracts can be submitted for virtual ePOSTER and/or for Oral Presentations.

All abstracts will be candidates for the **ASEICA Best Communication Awards** (Poster and Oral Presentations).

Indications for abstract submission:

- Abstracts must be submitted online via the following ASEICA abstract submission [LINK](#) (Click on here).
Before submitting your abstract, you must first register in the section "New authors" and the system will ask you for a username and a password. You will be able to submit abstract(s), edit them or modify your registration data until the submission deadline. When ready, please upload your abstract in the section "Submit Abstracts".
- The content of the abstract should be original and directly related to the research activities of your hosting laboratory.
- Please state the topic in which their abstract must be included during the application process.
- The **presenting** author must be a member of ASEICA. New ASEICA membership applicants will be also accepted. Abstracts will be only accepted upon full registration in the 3rd ASEICA Educational Symposium.
- Upon submission, you will receive an email by **November 4th, 2021** indicating if the abstract is accepted and whether it has been selected as either a poster or an oral communication.
The deadline for the first author to confirm the presentation of the project is **November 8th 2021**.
- The first author must convey this information to the rest of collaborators.

The banner features a dark blue background with a glowing DNA double helix and laboratory glassware (test tubes and a beaker) on the right. The ASEICA logo is on the left. Text is overlaid in white and red.
